"St. Catherine of Siena says: "Praise be to Jesus."

"Society as a whole has decided to support compromise. Therefore, most governments and world leaders are untrustworthy. Holy Love is a call to all people and all nations to make leaders accountable to the Truth. This is an ecumenical call - a serious undertaking which must not be controlled or manipulated by compromise or abusive authority."

Redistribution of wealth is, in and of itself, a compromise. You cannot transgress the rights of some to support some others. Remember, the poor will always be with you. So while it is noble to alleviate suffering, you will never eradicate it."

"Redistribution of wealth is a vehicle of the one world government - the ultimate abuse of authority and compromise of Truth."

Read Jude 1: 17-23

"But you must remember, beloved, the predictions of the apostles of our Lord Jesus Christ; they said to you, "In the last time there will be scoffers, following their own ungodly passions." It is these who set up divisions, worldly people, devoid of the Spirit. But you, beloved, build yourselves up on your most holy faith; pray in the Holy Spirit; keep yourselves in the love of God; wait for the mercy of our Lord Jesus Christ unto eternal life. And convince some, who doubt; save some, by snatching them out of the fire; on some have mercy with fear, hating even the garment spotted by the flesh."
