

Faith

Seeing the invisible...
Feeling the intangible...
Achieving the impossible.

The Good News

Jesus Christ, the Incarnate Word made flesh,
came to lead us back Home to Our Father in Heaven.

He is the Way, the Light and the Truth .
He came that we may have eternal LIFE
(which means forever and ever).

Listen to HIM.

Faith is required to follow HIM.
To go the distance, you need HIS Grace.
Grace allows FAITH to grow,
where human intelligence can not go.

"Hail! Full of Grace, the Lord is with You."

You begin by taking "baby steps" into becoming HIS Divine Love.
