About Us

Our mission

- 1) Increase the visibility and accessibility of the Scriptures online.
- 2) Provide free access to Bible study tools in many languages.
- 3) Promote the Gospel of Christ through the learning, study and application of God's word.

Our Organization

Bible hub is a production of the Online Parallel Bible Project. This project is privately owned and supported for the express purpose of sharing Bible study tools online. Most of our work is done by volunteers with an interest in using their technological skills to this end. Please see our [contact](#) page for additional information.

Our History

The Online Parallel Bible Project began in 2004 as [Bible.cc](#), which provided a parallel, verse by verse view of 8 translations. Soon, many new tools were developed to support the parallel site. These began as separate sites, but our feedback led us to develop a single integrated platform. Thus, in 2007 several sites were integrated to form Biblos.com and later BibleHub.com.

Statement of Faith

To answer many of your questions regarding the philosophy behind this site, we have provided a [statement of faith](#). However we wish to encourage everybody, regardless of their belief system, to use this site to learn more about the Bible.

Contacting us

Feel free to [write us](#) with any suggestions, comments or corrections. The feedback we receive is quite useful as we continue to update this site.
