at Our Lady of Victory's Desert Solitaire, Cross Canyon and Montezuma  
Creek, San Juan County, Utah for our 1<sup>st</sup> project for the 2008-09 year:***

### ***Rasing a 14 x 20 x 10 Shedlike Structure for Shelter***

*(from a kit purchased from the Mor Storage Company – an independent owned business from Grand Junction)*

**When:** It will start on Friday, October 31st and continue thru Sunday, November 2<sup>nd</sup>. The kit is to be delivered on Thursday, October 30<sup>th</sup>, so feel free to come early and help with the preparation for starting on Friday.

**Where:** It will be at **sjbes'** sanctuary Our Lady of Victory's Desert Solitaire down by Hatch Trading Post in San Juan County, Utah. Go to the site map (*Roman Numeral V*) on **sjbes'** web for detailed directions.  
[www.projecthaven.com/sjbes](http://www.projecthaven.com/sjbes)

**Goal:** Our goal for this project is to have fun completing the kit in less than 3 days as a team centered upon the themes of challenge, community, commitment, and courage. Hopefully our experience will be the catalyst for growth and development in heart, mind and soul. (Remember- No matter who we are, we are never too old for growing and developing.) We will use Our Lady's Daily Routine to schedule our day (If you would like to view it, go to the site map -*Roman numeral IX* - on **sjbes'** web [www.projecthaven.com/sjbes](http://www.projecthaven.com/sjbes))
