Dear Most Reverend Fernando Isern, D.D,  
Most Blessed Son of Mary and Brother of Christ,

This project has been a challenge to say the least. I am so grateful to God – the Father, the Son and the Holy Spirit - for allowing the completion of **sjbes'** movie and the opportunity for me to go to Catholic University of America in DC and attend their *Summer Institute on Catholic Social Thought* which was held this past June...though there were many finishing touches still needing to be made on the movie, it was and hopefully will be fruitful. It was only after arriving home that I was able to turn the project into a finished product, worthy of Our Lord's blessings. So by the GRACE of God, I am hoping my dear bishop, you will take the time to watch this video: **sjbes' Presents I – The Final Examination: Holy Faith 101 – Deus Intencio.**

You will have to give yourself about 1:45 minutes to watch it all in its entirety. It would be best to watch it on your personal computer with headphones in a darkened space if possible. As all stories go...it has a beginning and an end. Try watching it in large screen-mode but small will work as well, and eliminate all possible distractions or interruptions ( but for you, bishop this may be impossible for a man in your position).

Before starting, make sure you study the inside cover and read the copy of St. Proclus of Constantinople, bishop 5<sup>th</sup> century. St. Proclus' words just reiterate **sjbes'** movie theme(s). Incredible that he is in the 5<sup>th</sup> and I am in the 21<sup>st</sup> century and we are both saying the same thing about the GOOD NEWS...God is so remarkable! "We are One Body, One Body in Christ...and we do not stand alone" no matter from what time period or language we speak.

I am excited that you now have a copy (please share it with Judith).

I'll see you in my prayers at the foot of His Holy Cross.

Your Friend Always in the Light of Christ,

Holly
