Dear Volunteer Advisers of **sjbes' Mission** and Friends of Holly,

Writing this summary has helped me to evaluate my progress in manifesting **sjbes'** vision as well as creating a justification for our foundations and organizations to why **sjbes'** is worthy to receive their blessings and financial support as a non-denominational and non-profit organization. I hope you will enjoy reading about my year's happenings as well as **sjbes'** progress.

This 2012-13 is the year I am hoping **sjbes'** will find that perfect relationship with our future foundations in supporting us on our corporate projects - building a fence, putting in phase I of landscaping, building the female/male solar bath house, building the workhouse, building the lean-to for composting, building the sandbag chapel: *The Mysteries of the Most Sorrowing Heart*, and doing some maintenance on our "Mary-mo-bile" (exhaust, suspension, brake systems, as well as some body work).

In Italy two summers ago, I committed **sjbes'** to the following simple resolutions as our answer in our last interview with the various global foundations and charities - "What solutions would your organization recommend in conclusion to all the global issues that had been presented for your panel discussions?"

- Grow where one's feet are planted. (I am so grateful that mine are planted in the American West!)
- Build community - come to know one's neighbors in the state of unconditional love.
- Inspire to increase local enterprise for harmony and well-being – inspire to freely give and receive individual gifts and talents in building healthy communities with the purpose of supporting the *least of your brothers/sisters*.
- Buy and sell locally when possible.
- Advocate for the "least amount of government for the greatest amount of liberty for all individuals (persons)".
- Put one's money into a locally owned bank.
- Return to "holiness" through/in/by the Institution of the Holy Eucharist.

As **sjbes'** Director and Special Educator, I am confident that I am staying focused on these resolutions as I work towards manifesting our **Mission – School, Support and Sanctuary** here in the Four Corners of the United States. Please, I hope you'll take the time to review **sjbes'** activities and projects of 2012-13 in the light of my being just a lowly servant to the United Hearts of Jesus and Mary.

It would be great to hear from you, especially with any comments, questions or suggestions about **sjbes' Mission** but mostly for sharing what is going on in your life. Thanks for your prayers, support and most of all your friendship throughout these years. Save the date October 23rd thru 27th for "**Fortifying Our Stronghold**" as this year's project down at Our Lady of Victory's Desert Solitaire's Holy Gardens in Cross Canyon and Montezuma Creek, San Juan County, Utah. Hope you will be able to come and share the whole week, or a few days or even if it is just for a few hours. It would be great to share time with you in the fellowship of the Holy Spirit.

Peace be with you, and with your spirit.

Holly
