## **FOUR HOLY AND DIVINE LOVE MESSAGES FROM THE PAST (for us to ponder today - 3/18/2023)**

**September 7, 2022  
Public**

Once again, I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father. He says: "Today, I invite you to see that all your acts of charity, all the Holy Love\* in your heart, is stored up by Me, your Papa God, as though in a safety deposit box. At the moment of your judgment, together we make a withdrawal. Some souls have substantial savings to draw upon and see them into eternity. Others, sadly, have but a scant amount - some even none - and their eternity reflects their neglect in the next life. Some spend their earthly existence engrossed in saving up worldly assets which are of no account in the hereafter. My Remnant realize their responsibility towards their own eternity and work diligently living in Holy Love."

"Holy Love is your most secure IRA, trust fund or inheritance you can invest in for your sake or for the sake of all your family. The Holy Love in your own heart draws down upon your family many protections, revelations, and merits they would be otherwise undeserving."

### **Read Philippians 4:4-7 +**

*Rejoice in the Lord always; again I will say, Rejoice. Let all men know your forbearance. The Lord is at hand. Have no anxiety about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which passes all understanding, will keep your hearts and your minds in Christ Jesus.*

**The Three Days of Darkness - General Illumination of Conscience**

I see Our Lady holding the Infant Jesus. She is in a purplish mantle, pink gown. The Baby is in white. Our Lady says: "I come in praise of Jesus, My Son."

"My daughter, I have prepared your heart in forewarning of My telling you these things. Today, most of humanity has chosen self over God and fellow man; death over life; hate over love. For the sake of man's free will, God has only intervened indirectly by sending Me into the world to admonish and call to conversion. My coming to you with this Message of Holy Love is a last minute grace, which Heaven hopes will bring many to salvation."

"Today, as I speak to you, cosmic events are taking place. Patterns are being established and certain constellations choosing unforeseen paths. Through the evil in hearts these things are being permitted by God, who does not want to punish but who will not interfere."

"Man's final judgment of choice upon the world will bring about a collision of heavenly bodies. Your planet will swerve from its course. For three days natural laws will be suspended. Earth will be plunged into darkness - both in hearts and in the world. The good will be sustained through the Refuge of My Immaculate Heart and will not see unprovided death. But woe to those who walk the path of perdition. Some will die of fear. Others will take their own lives."

"It is during this time that those consecrated to the Flame of My Immaculate Heart will be protected. These souls will be the light in the midst of darkness."

"There is no nation that can provide safe refuge during these three days, but My Heart will provide to those who are thus consecrated to Me."

"I do not come to frighten you. I come to show you the way around fear which is this Mother's Heart. I am so ready to shelter My children, to appease injustice, to protect the faith. Make this known."

**Friday Rosary Service**

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." (A private Message was given.)

-----

Jesus: "I am your Jesus, born incarnate. My brothers and sisters, always pursue the path of Holy Love in every present moment, for this is the path of righteousness. Even in these times of turmoil, you will find your peace in the Hearts of Jesus and Mary."

"My brothers and sisters, I have longed - longed to be with you. Come to Me then, and do not deny My Love as I hang upon the Cross. Have a clear understanding of My Passion. When you pray, pray with a crucifix in your hands."

"Tonight, We're blessing you with the Blessing of Our United Hearts."

**Consecration to the Flame of Holy Love**

7:00 AM Easter Sunday

Our Lady comes in white with white lilies in front of Her. Jesus' Hands with the wounds were on either side of Her. "Alleluia! Praise be to Jesus, Risen and Glorified! Take up your pen, My angel. Here is the beginning of My prayer - The Consecration to the Flame of Holy Love."

"Immaculate Heart of Mary, humbly, I ask that You take my heart into the Flame of Holy Love, that is the spiritual refuge of all mankind. Do not look upon my faults and failings, but allow these iniquities to be burned away by this purifying Flame."

"Through Holy Love, help me to be sanctified in the present moment, and in so doing, give to You, dear Mother, my every thought, word, and action. Take me and use me according to Your great pleasure. Allow me to be Your instrument in the world, all for the greater glory of God and towards Your victorious reign. Amen."

"The souls that thus consecrate themselves relinquish to Me all their faults, their sins - both past and future, their virtues - those they have and will have, their sorrows, their joys and their fears. I will reign in their hearts being victorious over besetting sins. I will take dominion over interior and exterior goods. I ask only their undying faithfulness to living in Holy Love, and to spreading the Message of Holy Love. In so doing, they will be My instruments in leading souls into the New Jerusalem."

"Souls that desire to make this consecration must for three days prepare their hearts.\* Each day I desire that they perform some corporal work of Mercy. Each day they must evangelize the Holy Love Message to at least one person. Each day they must reverently receive My Son in the Eucharist [if Catholic]. These three days of light will serve as armor against the three days of darkness that

are to come. This is God's Merciful Love I am giving to humanity through you."

"Pray with Me now for unbelievers."

We prayed.

"Make this known to believers and unbelievers alike."

She leaves.
